Provider Paneling Application
(Revised)**

Effective Monday, March 26, 2012, providers who are required to be CCS paneled may submit their paneling application on line to <https://cmsprovider.cahwnet.gov/PANEL/index.jsp>

Providers will have the ability to track their application status on line with a unique tracking number. This on line process will allow Physician and Allied paneling applications to be handled in a thorough and timely manner. In addition, providers will receive an immediate on-line approval or request for any additional documentation necessary to process their paneling applications.

For questions related to CCS Paneling, please contact the Provider Services Unit at (916) 322-8702.
